A great big **THANK YOU** to all of the folks listed above for being willing to “go the extra mile” in helping make sure that the various ministries of First Lutheran Church/Redlands continue to function on a regular basis. These are the folks that realize the more they put into the ministries of First, the more benefits they will receive.

Members of the congregation, we continue to have a GREAT need of people interested in providing a higher level of service to assist in our worship **at all services**, particularly in the area of **Greeters and Sound Booth/Offering Stewards**. Greeters are the “first folks” that are met by visitors and members alike. This is a great way to get to know the members that you might not know and be the first to know our visitors. If you would like more information, please contact the office so that your name(s) can be passed along to the individual(s) that are in charge of each particular area of service. You can volunteer! *And you will feel good about doing so.* Remember, there is ALWAYS room for more participants in ALL of these areas.
